

GRUNDÉNS

WE ARE FISHING

Warehouse Associate

About Grundens:

Carl Grundén began producing waterproof oilskins in 1911 for the fishermen of the North Sea in Grundsund, Sweden. Material Shortages of WWI forced the company to close but in 1926 Grundén Regnkläder AP was founded and has been producing the most trusted fishing gear ever since.

Built by fishermen then, Grundens way of thinking today carries this tradition. We are humbled by nature's beauty and power and believe if there are no fish there is no fishing, and eventually no us. However, with the right tools, decisions and attitude, we are able to work towards solutions. Working at Grundens is no different. It's about finding resourceful solutions, working towards a common goal and building trust in the process.

The Role:

Warehouse Associates at Grundens provide true connection to our customers and dealers and are responsible for the final touch point in our fulfillment process. This role is accountable for ensuring sales orders are shipped accurately and on time; as well as handling inbound inventory from our factories, warranties and returns with care and attention.

Your Responsibilities and Duties:

Grundens is looking for a committed and energized crew member to join our Distribution Center Team, located in Poulsbo, WA. You will move inventory accurately, efficiently and safely through the warehouse; either on its outbound journey to customers or during its return bin location. You will have the opportunity to receive training and certification on electronic lift trucks, fork lifts, and order pickers in the first 60 days of employment.

Responsibilities will include the following:

- Receiving Inbound Inventory from our Factories
- Processing and Restocking Returned Inventory and Processing Warranty Items
- Pulling Inventory for Sales Order Fulfillment
- Packaging Sales Orders Accurately
- Creating Shipping Labels and
- QA Inspection
- General Housekeeping

Your Qualifications and Skills:

We look for the following skills and attributes in our Warehouse Associates:

- Be a team member Grundens employees and customers deserve by embodying Grundens core values.
- A Self-motivated and enthusiastic contributor
- Detail oriented and committed to operational excellence
- Ability to seek understanding and direction given by team leads and others
- Uses business knowledge, creative thinking, and make good judgment in problem solving
- Consolidates information from various sources including feedback from others to reach sound decisions
- Considers the impact on customers and coworker when making decisions and taking action
- Works smart by setting effective goals, establish priorities, and produce excellent results
- Ability to meet or exceed attendance requirements, providing reliable and predictable attendance
- Ability to work safely, minding personal and team safety in daily operations
- Basic math skills, and technologic proficiency a plus; ie: basic computer skills, familiarity with MS Office Suite
- Maintain Forklift Certification
- Ability to Lift an average of 30 lbs up to max of 75 Lbs
- High School Diploma or GED
- Valid Driver's License and clearance of background check

To apply, please submit your resume and cover letter to Jobs@Grundens.com
